REPORT.

IN presenting the 38th Annual Report to the Governors, Subscribers and Donors, the Committee are glad to be able to record much valuable work done. The number of In-patients admitted and treated during the year was 218 and 132 operations have been performed. There have been 4,483 Out-patient attendances, being an average of 86 a week. There have been 31 minor operations on Out-patients and 315 dental cases.

The Committee wish to offer the Honorary Medical Surgical and Dental Staff their very best and warmest thanks for their most valuable services, which are always so generously placed at the disposal of patients. The Committee wish also gratefully to acknowledge Dr. Walker Wood's kind help at various times as a specialist surgeon in serious ear, nose and throat troubles.

The Matron and Nursing Staff have continued their unwearied efforts to alleviate suffering by their able and sympathetic attention to the patients. The Committee recognise how much they owe to them and offer them a warm expression of their most grateful thanks.

The Committee have welcomed to their number Mr. E. Moore and Dr. E. A. Neatby and are glad to think that they will have the benefit of their valuable help.

The Hospital has suffered during 1928 a very serious loss through the death of Dr. Pritchard, who had been one of our Honorary Consulting Surgeons for many years. The Committee will always remember his labours with gratitude and a deep sense of indebtedness and they offer to his widow and family sincerest sympathy with them in their sorrow. The late Dr. Pritchard's partner, Dr. Lee, has been appointed an Honorary Consulting Surgeon in the place of the late Dr. Pritchard.

The Committee were glad to receive under the Will of the late Dr. Edith Neild a legacy of £10 free of duty, and under the Will of the late Miss Emily Lamb a legacy of £50 free of duty. Miss Lamb had been a valued subscriber of the Hospital for many years. The Committee have also received a notification from the Executors of the late Mr. Cornelius Goldsmith that he had bequeathed one-sixth of his residuary estate to the Hospital, and it is anticipated that this one-sixth will amount to £62 17s. 8d.

The Stores of the Hospital were considerably replenished by the Pound Days, kindly organised by the Matron and the Ladies' Committee and helped by many generous donors. There were received in goods 1,160 lbs. 4 ozs. in weight and in cash gifts £40 16s. 3d.

The Ladies' Linen League has been actively at work during the year, and as a result 56 new articles have been added to the Matron's linen cupboard in addition to a large amount of mending done by members of the League. New members will be very cordially welcomed to these meetings, which are held in the Board Room of the Hospital at 3 o'clock on the first Friday in each month, under the Presidency of Mrs. Barlee.

The arrangements for serving tea to the large number of women and children Out-patients on Thursday afternoons at cost price have been undertaken by various ladies in turn, and, judging by the appreciation expressed have evidently met a very real need.

Miss Lloyd continues her kind help by superintending the collecting box department.

To all these ladies who have devoted so much time and service to promoting the welfare of the Institution, most grateful thanks are tendered.

The Committee have received many tokens of interest and generosity from various organisations and Committees in the town and neighbourhood. Their sincere thanks are offered to the various Friendly Societies for their continued assistance from the usual Sunday and Saturday Parade Funds.

The Committee gratefully acknowledge a contribution of £5 from the League of Mercy on the recommendation of the Marquess Camden, whose interest we much appreciate.

The Committee also wish to acknowledge the generous assistance they have received from the Hospital Saturday Pay Day Fund, which is now permanently established for the benefit of the local Hospitals, the sum allocated this year being £286 5s. od. We are glad to recognise the Pay Day Fund as now a regular and substantial support to our work.

The Extension Fund, established in 1923, has again received several substantial gifts. Mr. Thompsett once more kindly organised another Flower Day, which resulted in a handsome donation to the Extension Fund amounting to £89 os. 1d.

The Committee much regret to report that after careful consideration of the probable cost of the proposed new buildings for the extension and improvement of the Hospital premises, they have not been able to proceed with any of the schemes submitted to them for want of sufficient funds. They need for their proposals not less than £14,000, and at present they have only about £8,000 in hand. If supporters of the Hospital would contribute a further sum of £4,000, probably the Committee would risk a certain amount of debt in order to proceed with the proposed enlargement scheme. The Committee will be most grateful if their friends and supporters will take this matter into their serious and generous consideration.

For the information of intending donors to the Extension Fund, the Committee would point out that the Hospital Buildings, Endowment Fund and all other property are settled upon Trustees, and must be for ever devoted to hospital work. Thus contributions form a perpetual benefit to the sick and suffering, and cannot be alienated to any other purpose.

The Committee are deeply indebted to the Clergy and Ministers of the town for their spiritual ministrations, and for the financial support from their congregations in the matter of collections for the Maintenance Fund.

In conclusion the Committee are glad that this year the deficit on the Maintenance Fund is a very small one. The previous year there was a deficit of over £300. Although this has not been wiped out, the financial position for 1928 is more satisfactory than for 1927. The present income from subscriptions is, however, only half generous enough, and the Committee would be in difficulties but for the income from the Endowment Fund and special contributions by legacies

and otherwise. They hope that their supporters will help them increase the subscription list this year, and special contributions towards the deficit will be warmly welcomed. Mrs. Groves, the Official Collector, will be glad to have the name and address of any lady or gentleman who might become a subscriber if waited upon. Such names may be addressed to Mrs. Groves at the Hospital.

The cordial thanks of the Committee are offered to the Honorary Treasurer, the Honorary Secretary and the Honorary Accountant.

There were also present Rev. B. A. Gregory, Mr. F. T. Lewis (Hon. Treasurer), Mr. J. Scrace, J.P., Dr. and Mrs. Grace, Dr. and Mrs. Barlee, Mr. Burland, Mr. Billenness, Mr. halmers, Mr. H. A. Parsons and the Hon. Secretary, etc.

The meeting was opened with prayer by the Rev. B. A. Gregory.

Apologies for absence from the President and others were read.

The minutes of the previous meeting were taken as read and confirmed.

The Chairman, in moving the adoption of the Report regretted that they had for the first time for many years to announce a deficit of over £300 in connection with the Maintenance Fund. This was due to increased expenditure under three heads, *viz.* :—

1. Provisions.
2. Surgery and dispensing department.
3. Domestic (such as repairs to furniture, bedding, etc., laundry, fuel and lighting).

The Chairman also wished to take the opportunity of saying again how keenly they all felt and regretted the death of Dr. Edith Neild. Her partner, Dr. Lilian Croskery, had taken her place on the Hospital staff. Dr. Bryant had become Hon. Dental Surgeon in the place of Mr. Price Evans, who had resigned and Dr. Walker Wood had consented to accept appointment as Hon. Consulting Surgeon for Ear, Throat and Nose diseases. They welcomed all these additions to the staff. The report and accounts were adopted.

Proposed and carried that Mr. William Mewburn, J.P., be re-elected President.

Proposed and carried that the best thanks of the Subscribers be given to the Hon. Physicians and Surgeons and the Hon. Dental Surgeon.

Proposed and carried that the best thanks of the Subscribers be given to the Matron and Hospital Staff.

Proposed and carried that the best thanks of the Subscribers be given to the Hon. Treasurer, the Hon. Secretary, and the Hon. Accountant, and that they be re-elected.

Proposed and carried that the best thanks of this meeting be given to the Committee for their interest in the institution and its patients and that the following members, who retire

by rotation, be re-elected, *viz.*, Mr. E. J. Strange, Mr. Thompsett, Mrs. H. C. Wood, Mrs. Barlee and Mrs. Beecroft, and that Messrs. R. Freeland and P. G. Lawson be elected members of the Committee.

Proposed and carried that the best thanks of this meeting be given to the Ladies Committee for their interest in the institution and its patients, and that the following be the Ladies' Committee and Linen League Committee for 1928 (*see list*) with power to add to their number, and that the following be Lady Visitors of the Wards with power to the Ladies' Committee to add to the number of visitors (*see list*).

Proposed and carried that the best thanks of the Subscribers be given to the Honorary Chaplains and other friends who have ministered to the spiritual needs of the patients; also to the Ministers and congregations of the many Churches and to the Committee and organisers of the various other funds which have made collections and given gifts to the Hospital.

Proposed and carried that the best thanks of the subscribers be given to the Dispenser.

The meeting concluded with a vote of thanks to the Chairman.
